

Harvest Harmonics

# Harvest Harmonics presents Kyminasi Plant Booster

A technology never seen before

**Biophysics applied to  
agriculture.**

Compatible for any type of  
controlled irrigation.

## What does Kyminasi Plant Booster do?

**1. Improves** photosynthesis in any crop

More Growth

Better Quality

More Production

**2. Improves** soil health

Better soil fertility

Optimization of water usage

## Results with Kyminasi Plant Booster

- ✓ More production
- ✓ Better quality
- ✓ Input savings
- ✓ Optimization of brix degrees
- ✓ Better mineral soil conditions
